Parental Agreement & Contract

I / We have carefully examined and agree with the purpose and doctrine of Berwyn Baptist School and desire the School to work with us in the total education of my/our children. In full cooperation with the School, I/we will regularly attend the Parent-Teacher-Partnership meetings and other functions and responsibilities requiring my/our participation. We pledge our loyalty to the aims and ideals of the School and will bring any questions and criticisms directly to the administration so that they may be properly considered by those in authority. It is understood that Berwyn Baptist School does not administer corporal punishment in any form to any student at any time under any circumstances. The School reserves the right to dismiss any student whose continued presence seriously impairs the educational process. If a student is dismissed for any reason, the tuition will be prorated on a daily basis for the period of time that the child was in school. New students are accepted on a trial basis for the first grading period. The School agrees to work closely with the parents or guardian in helping the students to learn and to solve their school-related problems. This will include provision of competent teachers, a full and balanced curriculum, regular reporting, supervision of the children, review of the program and cooperation with the home. I/We understand that the School operates with no financial margin. Since its budget is projected solely on the basis of Fees and Gifts, I/we pledge to give as regularly as possible to meet the school's financial needs and to uphold the School consistently in family prayer. I/we understand and agree that continued enrollment and re-enrollment of my children in Berwyn Baptist School is dependent on my parental support of the school, its staff, and its policies. The Registration, Curriculum, and Technology fees and the Tuition for the coming school year will be those listed on the copy of the School's official tuition/fee schedule which I have received. I/we promise to pay the tuition in **(check one of the following)** _____ 10 payments **(Jul.-Apr.)** or _____ 11 payments **(Jun.-Apr.)**. It is understood that tuition is due on the first of the month, is late after the tenth and that there is a $20 fee for each month the payment is late. *It is also understood that all Registration, Curriculum, Technology, and Testing fees are non-refundable.*
